

The Monday Message

All the info you need from Room 21

November 10, 2009

I hope you are ready for the 3rd month of 5th grade! We have been learning and doing so much. I sure hope that you are seeing gains in your child's learning and noticing some changes in him/her for the better. Be sure to ask your child about calendar math and all the skills that we review each day.

☺ ~Mrs. Schwartz

Coming Soon!

November 11 – Cereal Box Book Report
Dress for respect – red/white/blue
November 18 – Book Orders Due
November 19 – Field Trip!!!
November 25-27 – No School! Have a great Thanksgiving!!!

Coming soon!

Science Fair will be here soon. All students in 4th and 5th grade are required to complete a science fair project at Dardenne. We will be doing a lot of in class learning about the scientific experiment and how to complete a science fair project, but a lot of the actual work will be done at home. We will begin working hard on this process in December. There will be mini-assignments and check up dates that will be necessary to keep up with. By keeping up with these dates, all students can have their science fair project completed on time. Be thinking of a topic that interests you.

Our field trip is Thursday, November 19, 2009. Please be sure that your child has paid for his/her field trip and turned in all permission slips. At this time, lunches can no longer be ordered from the cafeteria due to time constraints. I will be notifying the parents who were selected as parent chaperones this week. Thank you for volunteering.

What's going on this week!?

- Science – Body Systems
- Social Studies – Life of an Explorer
- Math – Multiplication and Division Strategies
- Reading Workshop – Inferences and Literature Circles
- Writer's Workshop – Personal Narratives – due Nov. 17

Our Spelling Program

After much analysis and discussion, we have made a change to the spelling program in 5th grade. Students will take their pretest on Wednesday and posttest on Tuesday. Students will also be receiving a contract for spelling activities. Be on the lookout for these! They will be given out on Wednesdays and be due Tuesday.

Cut this box out and return!
